

FREE RVAS Student Memberships!

Thanks to a donation from one of our members, the RVAS is offering free introductory one-year memberships to new student members. This is a first-come-first-served offer until the donation providing these memberships runs out. Students must be enrolled full-time for their next terms, and must be at least 18 to apply for RVAS membership on their own. Students under age 18 will need a parent or guardian to sign the approval on the RVAS application. Youth in current RVAS family memberships are not eligible for this offer. The free membership runs from July 1, 2021, to June 30, 2022. After that, we're hoping you'll want to continue your membership. And we've cut our regular RVAS Student membership rate in half to \$5.00 to make it easier to do so.

Please complete and submit the application on the next page.
